

# Develop Your Independently Owned Travel Agency, Whilst Being Part of a World Recognized brand.

It's not what we promise that sets us apart,  
*It's what we deliver!*

**UNIGLOBE can help you develop your Travel Agency with minimal fuss and financial outlay. We will have you up and running, competing with the largest global travel agencies in a matter of hours.**

UNIGLOBE has systems designed to help you build a profitable new or existing independent travel agency. You benefit from a Global brand image, professional systems, training, and ongoing support services. You can choose from a number of solutions customised to suit your needs.

## THE KEY UNIGLOBE ADVANTAGE

*UNIGLOBE Travel is the world's largest single brand travel franchise organization with more than 800 locations in over 55 countries across six continents. Operating under a well-recognized global brand name, with tried and tested solutions and international suppliers of air, hotel, cars, tours and many more travel products, UNIGLOBE travel agencies specialize in providing travel services to small-to-medium sized corporate accounts and to leisure travellers.*

### UNIGLOBE SOLUTIONS MEET THE CHALLENGES OF TODAY'S TRAVEL INDUSTRY!

**UNIGLOBE Travel provides the independently owned and operated travel agency with an outstanding support and service system. UNIGLOBE agencies benefit from the advantages of being part of a large global group while at the same time remaining independently owned.**

Being a service-first organization means that we take the time to understand your business and what

it takes to help you succeed. With global reach and local, hands-on ownership we offer a level of personal service and accountability you won't find elsewhere. To ensure the highest return on your investment we will research, customize and execute an effective travel plan with your goals in mind. With our team's assistance, your productivity and performance will significantly increase where it counts the most – your business.
